

## Happy New Year!

### Rock out with our Pop/Rock Band Class!

**Come audition with us! We want your talent and musicianship!**

Our Pop/Rock Band Class is designed by Pro-Music's experienced teachers to help students gain confidence playing collaboratively in a band setting and help them develop musical skills that can only been learned through ensemble-playing. Our instructors will match the student's stylistic interest and skill level accordingly.

**Classes take place on Wednesdays starting on January 9, 2019.**

At the end of the session, our school will arrange a band performance for parents and family to enjoy!

### Musicianship Course: Ear Training and Sight Reading

Ear training and sight reading are not only an important part of the RCM practical examinations, but are also crucial skills for any musician to develop. This course is designed by RCM Examiner, Dr. Nancy Tye to help students reinforce these skills.

This course is suitable for students from *levels 5 to 10*. **Classes take place on Mondays starting on January 21, 2019.**

### 2019 May/June Theory Schedule

Classes start in Jan/Feb 2019 depending on the subject. Pamphlets with more details are available at the front office or on our website.

#### Exam Dates:

### Traffic and Parking Reminder

Friendly reminder for everyone: **Park/stop your car in the parking spots available, please do not stop or idle in the middle of the parking lot.**

Idling in the middle of the parking lot not only causes traffic, but also blocks parked cars from being able to exit safely; with winter around the corner, we want to ensure our students leave and arrive safely. Thank you for your co-operation!
