

2020-2021 5.5 - 7 years old

Music development is a piano group lesson specifically designed for beginners. We will introduce the fundamentals of piano playing alongside the basics of music theory and improvisation.

Our experienced teacher will introduce different styles such as classical and jazz music to our future music lovers in an innovative and creative setting.

Our Teacher

Karen Tam B.F.A., ARCT.

Karen graduated with a Bachelor of Fine Arts from the Faculty of Music at York University. Karen also holds an ARCT Diploma in Piano Performance.

Karen is also one of the experienced teachers of Music Adventure group lessons at Pro-Music. The Orff Approach that she studied under Margaret Hugget has effectively enhanced her group and piano lessons through its emphasis on songs, games, rhythms, poems, stories and percussion instruments. Karen's teaching approach emphasizes a balance of affection, patience and strength, and encourages her students to enjoy the process of learning.
