## .Adaptation to New Learning Modes.

We hope this finds you safe and well. We are now living in an unprecedented time but we should all try to keep our life as normal as possible, so let's continue to work ahead!

The community lockdown has changed our life style completely. It was quite a challenge for some of our teachers to start with online teaching. However, after explorations and tryouts, teachers have found their own ways and taken advantage of this 'new' mode of teaching.

In June and July, some of our students took their RCM practical and theory remote exams. Most of them obtained very good results. We are very proud of their achievement.

Pro-Music is very grateful for your support. We would also like to thank all music teachers who have been working diligently to ensure music education continues.

We wish everyone healthy and a wonderful summer!

## .Re-Enrollment.

Starting from July, our new school term begins. Re-Enrollment is in progress. This year, we re-enrol with parents through the phone. If you have not received our phone call yet, please contact us. After having your

confirmation, a new Enrollment Form will be sent to you by email. All remaining credits and post-dated cheques will be carried over to this term.

## .In-person Lessons During the Summer.

Our school is currently opened to some students who are unable to take online lessons.

For in-person lessons, students and teachers are requested to put on face covering and sanitize their hands before and after the lesson. Teachers

will also sanitize the keyboard and drum set after each lesson.

Screens are installed at the office. Portable screens are available for use between teacher and student inside the smaller studios.

## .September Lessons | Online or In-person.

Our school has tentatively planned to resume lessons in September. However, the plan is subject to change. Please check the school's website at the end of August.

**Theory Classes** - Both online and in-person classes are available. You may pick up the pamphlet at the school or visit [www.pro-music.ca](http://www.pro-music.ca) for details.

**Music Adventure** - To be confirmed at the end of August

**Music Development** - To be confirmed at the end of August

**Other Private Instrumental Lessons** - Online / In-Person. Please check with the school.

## .RCM Remote Exams for August Session.

zoom

As ongoing uncertainty surrounding COVID-19 continues, the safety of students, parents, teachers and examiners remains a priority. For this reason, RCM has announced that all practical and theory exams for the August Session will be taken place remotely.
